

Web Based Email Services – Email Forwarding Services Terms and Conditions (ODLMAIL)

1. ODLMAIL offer a web based email service to clients at charges to be determined from time to time as listed on the ODLWEB Pricing Pages.
2. Email is not secure over the Internet and care should be taken with regard to confidential content in messages.
3. The service is available via secure web server (SSL) via https:// and users should be aware to use this facility. AVOID ordinary HTTP.
4. No responsibility is taken for the security of emails and their contents. As described earlier, the nature of email over the Internet in general leaves it open to interception.
5. Disk/mailbox folder quotas may be enforced. This limits the amount of mail you can store.
6. If a quota is exceeded you must delete messages from your folders to make room for new ones.
7. If quota is exceeded items may be moved to TRASH where they will be deleted immediately.
8. If you require to keep message permanently, you should make arrangements to forward them to another account or take steps to cut & paste the message to a word or text document that can be stored on your own hard drive.
9. Optical Design, its staff and agents will under no circumstances be responsible financially, legally or otherwise for any losses no matter in what form or from how they arise resulting from the use of this service.
10. These conditions are subject to change without notice.
11. By using ODLMAIL you agree to be bound by these terms.
